

G8 - 17 Goals - cinema for a better world

<p>Introduction</p>	<p>At Dr.-Jaufmann Middle School, an education for sustainable development action plan has been developed by teachers for the next 3 school years 2022 - 2025, covering these topics from year 5 - 10. Contents and topics include introducing student companies, Sustainable Development Goal (SDG) cubes, workshop work, excursions, dilemma discussions, fair trade actions, One World Games.</p> <p>This example uses an “in school” film week with an accompanying programme to introduce and explore sustainable development themes. It supports active citizenship and develops awareness of the varied skills required in film production and marketing and promotion.</p>
<p>Learning Objectives:</p>	<p>To gain knowledge and understanding about and for the sustainable development goals (SDGs)</p> <p>To develop critical and creative thinking skills through engagement with film media</p> <p>To become aware of roles in the film industry and related ethical challenges</p>

Die Beschäftigung mit Film gehört zur schulischen Medienbildung und dazu wollen wir als Schule beitragen.	Dealing with film is part of media education at school and we want to contribute to this as a school.
Das Filmprogramm zu den Zielen für nachhaltige Entwicklung:	17 Goals - Cinema for a better world
Begleitprogramm: Eine altersgerechte Einführung und Nachbereitung der Filme erleichtern den Zugang zu Inhalten und führen zu einer differenzierten Auseinandersetzung mit dem jeweiligen Film. Bei Filmgesprächen sind zusätzlich Gäste aus Film und Produktion eingeladen, die den Schülern spannende Einblicke in die Welt des Filmemachens geben.	Accompanying programme: An age-appropriate introduction and follow-up to the films facilitate access to the content and lead to a differentiated examination of the respective film. In addition, guests from film and production are invited to give the pupils exciting insights into the world of filmmaking.
Jeder Film ist empfohlen für eine bestimmte Altersgruppe und den SDGs zugeordnet. Im Nachgang werden in der Schule das / die Themen der SDGs besprochen, ausgewertet und mögliche Weiterarbeiten zu den Themen besprochen.	Each film is recommended for a specific age group and assigned to the SDGs. In the follow-up, the topic(s) of the SDGs are discussed in the school, evaluated and possible further work on the topics is discussed.
